HIRING MANAGER,

ACCESS MICROFINANCE BANK,

P.O.BOX,

DAR ES SALAAM.

Dear Hiring Manager,

REF: JOB APPLICATION FOR BUSINESS SOFTWARE DEVELOPER.

Refer to the heading above. I am a software developer working at Tally Global Software. I graduated from the University of Dar es Salaam in the year 2017 with a bachelor's degree in Computer Science.

I'm writing to express my interest in the business software developer position at Access Microfinance Bank. I believe that my skills and experience in the software development industry make me an excellent fit for this job opening.

My professional journey has afforded me comprehensive experience in developing and maintaining software, enhancing the overall efficiency of business operations. As a business software developer, I am confident in my ability to contribute to Access Microfinance Bank projects, driving innovation, and optimizing processes.

My problem-solving skills have enabled me to identify and resolve complex projects efficiently, minimizing downtime and improving system reliability. I am proficient in a wide range of programming languages, including PHP, Python, and JavaScript, as well as technologies like Scrum and Git.

Enclosed is my resume, which provides additional details about my professional background and accomplishments

Thank you for considering my application. I look forward to the possibility of joining Access Microfinance Bank and contributing to the exciting work ahead.

Sincerely,

DEOGRATIAS PETER AMASI.
